

Who'd have ever thought  
the love of your life would be  
short and bald?

You always went for the tall, dark, mysterious types. You fell in love with one, married him and started a family. Then when the baby was born, an amazing new feeling hit you. And now, as much as you'll always love your husband, this new little man just takes your breath away. [Having a baby changes everything.](#)<sup>SM</sup>
